The Cause

Urban Light Ministries is a 501(c)3 non-profit organization that was first established in 1985 as Lifeline Ministries. For 25 years, ULM has been spiritually enriching the lives of children, and since 2006, has been working to increase the number of responsible fathers to strengthen families. The Sunshine Clubs have reached over 18,000 elementary age children and the Fatherhood programs have improved the lives of over 3800 fathers and their families.

The 2019 goal is to reach over 400 children and 200 fathers locally and over 1000 father with our new online programs. It costs approximately \$50 per child, \$200 per father and \$25 per person for online programs. This makes Urban Light Ministries fund raising goal to implement these programs in 2019 to \$85,000 for the year. This does not include new program development and on-going support. Your support in helping Urban Light Ministries reach its mission of "Turning the hearts of fathers to their children and the children's hearts to the Father" is appreciated.
