

FATHER LOVE

The Powerful Resource Every Child Needs

The Father Love program is a personal study and instructor facilitated 13-week program based on the book written by Eli Williams. The objective of the program is to encourage and enable fathers to become better **Pro**ectors, **O**der keepers, **P**roviders and **S**tabilizers (**POPS**) of their families.

There is a growing systemic problem in America: the need for a father in a child's life. According to the U.S. Census Bureau, 24 million children in America – one out of three – live without their biological father in the home. Consequently, there is a “father factor” in nearly all the societal ills facing America today. The Father Love program provides a way of understanding the cause and providing a solution to growing the number of responsible fathers. The thirteen-week sessions inspire and enable fathers to reach their full potential as POPS.

The Sessions include:

- Session 1: What is Missing?
- Session 2: Father Love Defined
- Session 3: Love is Patient and Kind
- Session 4: Love Does Not Envy
- Session 5: Love Does Not Boast and is Not Proud
- Session 6: Love is Not Rude or Self-Seeking
- Session 7: Love is Not Easily Angered
- Session 8: Love Thinks No Evil
- Session 9: Love Finds Joy in the Truth
- Session 10: Father Love is Nurturing
- Session 11: Love Bears All Things
- Session 12: Love Endures All Things and Never Fails
- Session 13: The Creator's Father Love

Each session includes study guided questions and action steps to facilitate the learning and behaviors required to fully implement “Father Love” into their lives and integrate into their family relationships.

The program leverages over 25 years of addressing the needs of children and families, and more than 12 years of targeted fatherhood work. The curriculum is built on Biblical principles and true stories showing the powerful benefits of a father's love.
